Privacy & Photography Policy

At AZ Pines & Needles, we value your privacy and want every guest to feel comfortable, safe, and respected during their stay.

Guest Privacy

Your personal information is collected only for the purpose of processing reservations, communicating about your stay, and managing your reservation and stay. We do not sell, rent, or share your personal information with third parties except as required by law or as necessary to process your reservation or payment.

Any information you provide, including your name, phone number, email address, and payment details, is handled with reasonable care and used only for legitimate business purposes.

We respect the privacy of all our guests. Guest names, contact information, and reservation details are never shared with other guests, retreat groups, or third parties except as necessary to process your reservation or when required by law.

Security Cameras

For the safety and security of our guests and property, exterior security cameras are installed on the premises. Cameras monitor outdoor areas such as entrances, parking areas, and exterior pathways.

There are **no security cameras or recording devices inside the cabin or sewing studio**, including bedrooms, bathrooms, or any private indoor spaces.

By booking a reservation, guests acknowledge the presence of these exterior security cameras.

Photography

Guests are welcome to take photographs and videos for personal use during their stay. If you photograph or record other guests, please obtain their permission before sharing images or videos publicly.

From time to time, guests may choose to share photos of their quilting projects or their stay on social media. We love seeing your creativity! If you tag or mention AZ Pines & Needles in your public posts, we may request your permission to share your photos on our

website or social media pages. We will never use your photos for marketing purposes without your permission.

Website Cookies

Our website may use cookies or similar technologies to improve your browsing experience, remember your preferences, and collect anonymous website traffic statistics. You may disable cookies through your browser settings if you prefer.
